

The diagram illustrates a book cover template. It features a large white rectangular area representing the front cover, bordered by a red line. A green line inside the red border indicates the 'Margem de segurança' (safety margin). A grey rectangular area at the top right represents the 'Área de Fechamento da Aba' (flap closing area). A legend on the right side identifies three types of margins: 'Sangria' (blue line), 'Linha de Corte (Aproximado)' (red line), and 'Margem de segurança' (green line). A small black dash is located below the legend.

Área de Fechamento da Aba

Sangria

Linha de Corte (Aproximado)

Margem de segurança
